

2017 April Product Requests

Magdalene: A bamboo toothbrush *NOT* packaged in plastic! Doesn't make sense!

Michela: 18 Rabbits Granola

William: Hi Michela, You recently asked if we do or will carry 18 Rabbits Granola. After some research, we find that the granola would come to us at a high price point, which means we would have to sell it at a high price as well. For the time being, I think we're going to hold off on it. We have lots of very delicious granolas to choose from right now.

The good news is that if you want to purchase it, we can get it for you by Special Order. You can order how ever many bags you wish to have; you do not have to order a full case of them. They would cost you \$9.69 each, minus the Special Order 10%. Let me know if you wish to special order them. Thank you.

Jeanie: Harold Ensley's/War Eagle Mill seasoned coating mix

Kathryn: Eden Kukicha twig tea in bags

William: Hi Kathryn, Thank you for your recent suggestion that Ozark Natural Foods carry Eden Kukicha Twig tea. We did carry it at some point in the past, but we would like to try it again. So we will order it for our next delivery. It is available to us from a vendor that delivers only once every two weeks, so it may take a while before we actually have it on the shelf.

If you wish, I can let you know once it arrives, just let me know. Otherwise, look for it on the shelf in the next three weeks. Thank you.

Connie: Please grow sprouts here for sale in produce, deli

Rosario: Kize raw energy bar (made in OK)

William: Hi Rosario, Thank you for your recent suggestion that Ozark Natural Foods carry the Kize bars. I'm sorry it took me so long to get back to you but I needed to do some research. I am doing a reset of the nutrition bars next week, and I will indeed be able to bring in the Kize bars. Look for them next week on the shelf--if all goes well with our distributor. Thank you again.

Suzan: Santa Cruz dark roast creamy peanut butter

Carrie: I was at the co-op in Las Cruces, NM and they had Primal Kitchen paleo bars w/ collagen—tried them all. AWESOME!

William: Hi Carrie, Thank you for your recent suggestion that Ozark Natural Foods carry Primal Kitchen collagen bars. I'm sorry it took me a while to get back to you, but I wanted to do some research. I am preparing to do a reset of the Nutrition Bars next week, and we will indeed be able to bring in the Primal Kitchen bars. Thank you for your suggestion, and look for them to be on the shelf--if all goes well--next week.

Patricia: Scented candles (votive) NO containers. ONF used to carry a great selection of just votive candles! Please call. I would make an order of a case.
